GonzoTennis was founded in 2004 by Gonzalo Garcia with the idea of bringing quality tennis programs to the Boulder community. Since then, GonzoTennis has shared the courts with players from ages 3 to 75 through programs for kids and adults. www.gonzotennis.com.

Gonzo Tennis and City of Boulder believe tennis is a significant part of life that further defines who we are as human beings. We have a devotion to fostering the development of players of all ages, and giving them the opportunity to discover even more about this truly international sport.
